**The Acton Racing Team signs Ben Palma to navigate the BlueWater Resort & Casino Parker "425"**

MESA, Arizona (January 30th, 2009) – The Acton Racing Team and WOLFORCA Racing have joined forces for Best In The Desert's "The American Off-Road Racing Series" BlueWater Resort & Casino Parker "425" in Parker, Arizona. Ben Palma of WOLFORCA Racing will be the in-car navigator, applying his extensive knowledge of the local Sonoran Desert and La Paz County off-highway trails to create an unstoppable team for this epic event.

"I'm excited to share the experience," says Ben Palma, owner of WOLFORCA Racing. "Scott and Mike at Acton Racing are consummate professionals and I think they have a great future ahead in off-road racing."

The teams have entered into a one-race agreement to combine their passions, expertise and knowledge to compete in the "425" driving the police themed Acton Racing "Hot Pursuit" Jeepspeed 1737 sponsored by Sway-A-Way, Daystar and RDM OFFROAD.

Co-driver Scott Johnson will begin the race with Ben navigating, while team leader Mike Acton will take over driving duties for the second 140-mile loop. Jeepspeed 1700 series race trucks are 2-lap entries covering roughly 300 race miles, including the famed Parker Python section of this "425" open desert race, an exciting spectator friendly venue in a 5-mile short course environment.

Mike Acton, Acton Racing Team's founder and driver says, "Ben and his family have been a fixture at Best In The Desert Parker events for 20-years, having grown up 4-wheeling on all these back roads. Ben is the ideal person to guide the Acton Racing team to a victory."

The Acton Racing team is an Arizona Jeepspeed off-highway race team competing in the Best In The Desert (BITD) "The American Off-Road Racing Series", and Mojave Off-Road Racing Enthusiasts (MORE) series racing events in California, Arizona and Nevada.
